## **ANEXX 1**

# **DIMENSIONS AND CAPACITIES OF THE CCCI AREAS**

## **TABLE OF CONTENT**

- DEFINITIONS
- TABLE OF DIMENSIONS AND CAPACITIES OF THE CCCI AREAS

## DEFINITIONS

- **THEATER:** The chairs are arranged in rows facing towards the front where the stage or speaker is located. This setup maximizes the use of meeting room space. It is best suitable when minimum note-taking is required.
- **CLASSROOM:** Tables are arranged in rows with two or three chairs per table with participants facing toward the front of the room. Each participant has space for taking notes.
- **U-SHAPE:** Tables are arranged in a rectangular shape with an open space in the middle (Large U shape). The chairs are placed around the outside of the tables.
- **BANQUET:** Round tables with eight or ten chairs. This set-up is suitable when meals are served in the room.
- **COCKTAIL:** High tables are arranged throughout the area with few or no chairs around them. Some chairs are placed along the edges of the room.
- **ROUND TABLE:** Setup of round tables with eight or ten chairs, or half-moon with six chairs. This type of setup is used for academic sessions without food and beverage service.
- **FISH BONE:** The chairs or tables are arranged in rows in a V shape and separated by a center aisle. Participants have a view of the stage or speaker as well as participants in opposite tables.
